

Opportunity to Sponsor a Scholarship

New York SWANA Chapter Scholarship Program

In today's difficult economic climate funding college is becoming increasingly difficult for our members. The New York Chapter of SWANA recognizes this challenge and is seeking companies and organizations to partner with us by sponsoring the New York SWANA Chapter Scholarship Program. These sponsorships will be added to the Chapter funding and will be used to increase the 2016 Scholarship Awards across all four existing categories; which include incoming freshmen students, undergraduate college students, graduate students and SWANA member professionals seeking professional development.

There are a limited number of sponsorship opportunities, so the Scholarship Committee encourages companies to act quickly. Along with the sponsorship comes real benefits. The sponsorship categories, and the benefits associated with participation are described below:
